Dear Ms. Minea:

On April 6, 2023, the Regulatory Commission of Alaska (Commission) received an application from DISH Wireless L.L.C. seeking designation as an Eligible Telecommunications Carrier (ETC) for the limited purpose of providing Lifeline service. The application was assigned Docket No. U-23-008.

On April 7, 2023, Staff informed the applicant that it had failed to remit the 3 AAC 53.410(c) application fee for carriers that are not otherwise subject to the regulatory cost charge under AS 42.05.254. On April 11, 2023, you responded via email that immediate payment of the fee would be arranged. The Commission has not received the required application fee, and accordingly the application by DISH Wireless L.L.C. is rejected without prejudice for refile. If you have any questions regarding the Commission's ETC application procedures, please contact David Parrish at david.parrish@alaska.gov, (907) 263-2194.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA

Janis W. Wilson
